

## Case Study: **Rex, GA**

# DECOMPOSITION

An elderly gentleman dies on his bed and is left undiscovered for 5 days. A terrible odor and hazard remains, while the family is left to manage the property.

### AT A GLANCE

- Provided full odor removal.
- Restored the property to its pre-incident condition.
- Provided full dialogue with the insurance company

*bio*trauma

"We didn't know what to do with the house after my father died. Its been such a relief to have Biotrauma on the job.

-Steve Fitz , Next-of-kin
