

Case Study: **Duluth, GA**

A young mother takes her own life, while the father is in prison. Their two year old daughter stays with the next door neighbors, and the family is left with the problem.

AT A GLANCE

- Dealt with insurance company , so the family didn't have to.
- Provided immediate response for the home owner
- Mitigated all risks for bloodborne pathogens related illnesses resulting in zero (0) post-incident exposures.

SUICIDE

"I can't say enough about what Biotrauma does. I don't know what people would do without them."

-Jeff Jerald , Friend/Estate Manager
